List additional arrow sign locations, or any special instruction for sign placement here:

Sign Memo

Any address or sign placement changes after submitted will be charged a change order fee. CMBA has hired a sign company to install Tour directional “arrow” signs as well as the wooden posts with the “official” Tour sign. **If any changes are made from this form, such as replacing missing signs, or other special requests, a sign change order form must be signed by your company representative before CMBA will act on your request. Contact the CMBA for a sign change order.**

- If your instructions direct the sign company to put the directional arrow signs in the Hwy right of way, you will be responsible to install the signs 4:30pm on Friday of the first weekend of the tour, remove them on Sunday, reinstall them Friday at 4:30 for the second weekend, and remove them Sunday after the tour and place at the home for the sign company to pick up. If signs are left on the right of way and removed by MNDOT, it is the builder's responsibility to return the signs to CMBA or pay a \$50 per missing sign fee.
- If you move a sign, you must let CMBA know so we can inform the Sign Company where to find it after the Tour.
- The signs are an important part of the Tour's success; so please monitor them to make sure you will get the best traffic results possible.

Additional fees may be assessed for the following reasons.

- Wooden Post in Front of Home
- \$45 Move to new address from original registration.
 - \$60 Replace missing sign or post after installed.
 - \$100 Replace post and sign

- Directional Sign
- \$35 per sign: Recover moved sign.
 - \$75 per sign: Add a sign not on “Arrow Sign Form”.
 - \$75 per sign: Replace missing sign.
 - \$200 per home: Remove all Tour signs early or install late.

Guidelines

ANY changes in registration – contact CMBA first

Unfinished Homes

The tour committee will be inspecting all homes prior to the Tour of Homes to determine if they are complete. If any homes are not complete by the first day of the Tour, **THE TOUR HOME WILL BE CLOSED AND UNAVAILABLE FOR SHOWING DURING THE TOUR**, and signage will be removed. The Tour registration money will not be refunded and any associated sign removal fees will be assessed to the builder. See Participation Agreement for more details as to what determines a complete home.

Guidelines for Tour Magazine Content

- Any changes to your Tour registration must go through the CMBA office, not the St. Cloud Times. All Tour of HomesSM registration changes must be approved by the CMBA office. The CMBA office will forward the approved changes to the appropriate people.
- Only members of the CMBA are allowed to advertise in the magazine.
- Only member's logos and/or member's photos are allowed in the magazine.
- Ads featuring a "for sale" home or open house are not allowed unless the home is in the Tour. Generic pictures of a home are allowed.
- Ads with a map that shows locations referenced by numbers (other than the Tour map showing the locations of the homes) are not allowed.
- Ads produced by an ad agency should be sent to the CMBA for approval prior to sending to the St. Cloud Times.
- Your supplementary advertising should refer to your home as a **"Tour"** home, not "Parade" home.

Tally Counters

We encourage all builders on Tour to purchase a tally counter, 1 per home, to keep track of adult tour attendance. This information is important to the tour committee in making decisions planning future Tour of HomesSM. For your convenience, these counters can be purchased through CMBA for \$10 each. See payment form to order your counters.

Participation Agreement

CMBA 2018 Fall Tour of HomesSM

Only builder members in good standing will be allowed to participate in the Fall Tour of HomesSM. Tour listings in the Tour magazine will be consistent in size and design, only one home per listing. **Builder members with an exclusive franchise agreement with a Home Branding company may market the Brand of Home/Franchise in their Tour listing.** As a participant in the Central Minnesota Builders Association Tour of HomesSM I agree to comply with the following rules and responsibilities.

1. My home will be completed at time of showing. A complete house is one on which the builder has secured a **certificate of occupancy** from the city, and which meets all mortgage appraisal standards. This includes all plumbing, all floor coverings, painting and staining, carpentry, etc. If home is completely finished, but does not have final hook-ups to electric, sewer, water or gas, the house may still be shown, if no safety hazards are present. A safe access into the home must be provided. Bank exterior escrow items are the only items to be accepted as incomplete during the winter. A copy of the CO will not be requested unless home is alleged to be incomplete. **If it is not complete, I will agree to not show the home and my registration fee will not be refunded.** Any questions regarding the completion of my home shall be resolved by the Tour of HomesSM committee.
2. I agree to keep the Tour home open for public viewing, with an official representative on the days and during the hours fixed by the Tour of HomesSM committee. If my home is unavailable for showing for any reason, I will contact the CMBA office immediately. I agree to pay the additional fees that will be charged.
3. The CMBA promotes a "free and open to the public" Tour of HomesSM event. I will not charge admission and/or limit the type of people who tour the home, i.e. no children allowed, without express prior approval of the Tour of HomesSM committee and all restrictions must be included in all Tour of HomesSM listings.
4. I agree to not banner other homes that are not entered in the Tour and present them as a home on Tour.
5. I agree that realtors and/or sub-contractors and/or vendors may not place advertisement or signs on or in the Tour home or Tour magazine unless the company is a current member of the CMBA.
6. I agree to not have the Tour Arrow signs placed on the road easement right-of-ways and if the city or state removes them, it is my responsibility to pick up and re-install them. If I move a sign for any reason, I agree to notify the CMBA office of the sign's location.
7. Riders on the official Tour sign posts are sold to sponsors. I agree to not tamper with or remove any Tour sponsor signs.
8. I agree that if I change my Tour entry, I must submit it to the CMBA office immediately and any fees incurred due to the change, will be charged back to me.
9. **New Home** - I agree to show only new homes or homes that have been in the Tour a maximum of 6 consecutive Tours, but may not be lived in for more than one Tour.
10. **Remodeled Homes** less than one year old. The remodeled project must be valued at a minimum of 30% of the "before project" house value (excluding the land value) and will be listed in the *Tour of HomesSM* magazine as a remodeled home.
11. **Townhome developments** with model homes may be shown as long as new units are still under construction. This does not include rental units.
12. **Occupied home** – If the home is occupied, I will sign a CMBA "hold harmless agreement."
13. **Development Listings**
 - 13.1. The builder submitting the entry must be the fee owner of at least one portion of the development and there must be an approved preliminary plat.
 - 13.2. I will make an effort to have an on-site sales facility (sales trailer, model center or alternative building type) that is safe for consumers to visit and permitted by the appropriate municipality if necessary.
14. I agree that the Tour of HomesSM committee shall have the right to decide all questions concerning the general conduct and the day-to-day operation of the Tour of HomesSM and any and all disputes, which may arise.
15. I agree that I am solely responsible for insuring the Tour site is maintained in a condition safe for entry of the general public. I agree to protect, indemnify and hold harmless the Central Minnesota Builders Association, the Tour of HomesSM committee, and their officers, directors, agents and employees from and against and defend at my own cost any claim or action covered by the aforesaid indemnity which is asserted or brought against any of the indemnified parties. Any errors or omissions concerning a participant's Tour home or maps in any publication or related advertising, press release, etc., are the responsibilities of the participant. All errors will be called to the attention of the Tour of HomesSM committee.
16. I agree if I break any of the above rules, I may be suspended from participating in the Tour event for one full year.

AGREEMENT

In the interest of fairness, I agree to comply with the above rules and responsibilities. This agreement and contract made and entered into this _____ day of _____, by and between the Central Minnesota Builders Association and _____ (participant). Any changes in this contract or deviation from it must have the approval of the Tour of HomesSM committee.
